

# 10 GOLDEN

## BUILDING SITE RULES

### We do it together.

We create a pleasant workplace together.  
We respect each other.

### We work safely.

We check our workplace before we start (LMRA). We use the right work equipment.

### We take care of each other.

We are responsible for each other's safety. We confront one another with unsafe behaviour and situations.

### We protect ourselves.

We wear our personal protective equipment (PPE) according to regulations.

### We communicate with each other.

We follow the instructions of the contractor.  
We report unsafe situations and (near) accidents.

### We follow instructions.

We always start our work properly instructed.

### We ensure a tidy building site.

We clean up our rubbish, keep our eating and toilet huts neat and look tidy.

### We take action in case of emergencies.

We warn the contractor. If necessary, we call 112 and go to the assembly point.

### We respect sustainability.

We prevent waste of water and energy.  
We separate waste and residues.

### We do not use alcohol or drugs.

We never use alcohol or drugs on the building site and only smoke where permitted.

**I have read everything and agree. Failure to comply with the rules will result in being refused access to the building site.**
